# 2. HAZARDS IDENTIFICATION

### Classification

#### OSHA Regulatory Status

This product has been classified in accordance with the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

| Acute toxicity - Oral   | Not classified |
|-------------------------|----------------|
| Acute toxicity - Dermal | Not classified |

#### Label elements

# **Emergency Overview**

May form combustible dust concentrations in air.

#### Appearance Blue

# Physical state Liquid

Odor Lemon

#### Precautionary Statements - Response

Specific Treatment (See Section 4 on the SDS) IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing Call a POISON CENTER or doctor/physician if you feel unwell IF SWALLOWED: Rinse mouth. DO NOT induce vomiting Drink plenty of water Immediately call a POISON CENTER or doctor/physician

#### **Precautionary Statements - Disposal**

Disposal should be in accordance with applicable regional, national and local laws and regulations

# Hazards not otherwise classified (HNOC)

Other Information

Unknown Acute Toxicity

2.5% of the mixture consists of ingredient(s) of unknown toxicity

# 3. COMPOSITION/INFORMATION ON INGREDIENTS

| Explosion data   |                         |  |                                |                            |

Explosion data Sensitivity to Mechanical Impact None. Sensitivity to Static Discharge None.

# Protective equipment and precautions for firefighters

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

# 6. ACCIDENTAL RELEASE MEASURES

# Personal precautions, protective equipment and emergency procedures

 Personal precautions
 Ensure adequate ventilation, especially in confined areas.

 Environmental precautions
 Spilled preparation should be removed immediately to avoid formation of dust from dried preparation. Take up by mechanical means preferably by a vacuum cleaner equipped with a high efficiency filter. Flush remainder carefully with plenty of water. Avoid splashing and high pressure washing (avoid formation of aerosols). Ensure sufficient ventilation. Wash contaminated clothing.

Methods and material for containment and cleaning up

| Methods for containment<br>Methods for cleaning up | Prevent further leakage or spillage if safe to do so.<br>After cleaning, flush away traces of water. Avoid dust formation.   |
|--|--|
|  | 7. HANDLING AND STORAGE  |
| Precautions for safe handling                      |  |
| Advice on safe handling                            | Wear personal protective equipment. Wash hands and face thoroughly after handling. Avoid formation of aerosols and dust from drying out of spilled preparation. Avoid splashing and high pressure washing. Ensure good ventilation of the room, when handling this preparation. Store container in a cool place. |
| Conditions for safe storage, inclu                 | ding any incompatibilities   |
| Storage Conditions                                 | Keep containers tightly closed in a dry, cool and well-ventilated place.   |
| Incompatible materials                             | Strong acids or alkali compounds and strong oxidizing agents may inactivate biological cultures.   |

# 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

# Control parameters

## Exposure Guidelines

# **10. STABILITY AND REACTIVITY**

# **Reactivity**

No data available

## **Chemical stability**

Stable under recommended storage conditions.

# **Possibility of Hazardous Reactions**

None under normal processing.

#### **Conditions to avoid**

Stable under normal conditions. Excessive temperature variations below 32F or above 155F.

# Incompatible materials

Strong acids or alkali compounds and strong oxidizing agents may inactivate biological cultures.

# **Hazardous Decomposition Products**

None known based on information supplied.

# **11. TOXICOLOGICAL INFORMATION**

# Information on likely routes of exposure

#### **Product Information**

| Inhalation   | Avoid breathing vapors or mists. Inhalation of vapors in high concentration may cause irritation of respiratory system. |
|--------------|---|
| Eye contact  | Avoid contact with eyes. Contact with eyes may cause irritation.  |
| Skin Contact | Avoid contact with skin. Prolonged or repeated contact may dry skin and cause irritation.                               |
| Ingestion    | May be harmful if swallowed. May cause gastro intestinal irritation.  |

# Information on toxicological effects

#### Symptoms

No Information available.

Delayed and immediate effects as well as chronic effects from short and long-term exposure

| Sensitization            | No Information available. |
|--------------------------|---------------------------|
| Germ cell mutagenicity   | No Information available. |
| Carcinogenicity          | No Information available. |
| Reproductive toxicity    | No Information available. |
| STOT - single exposure   | No Information available. |
| STOT - repeated exposure | No Information available. |
| Aspiration hazard        | No Information available. |

## Numerical measures of toxicity - Product Information

**Unknown Acute Toxicity** 

2.5% of the mixture consists of ingredient(s) of unknown toxicity

# **12. ECOLOGICAL INFORMATION**

## **Ecotoxicity**

0% of the mixture consists of components(s) of unknown hazards to the aquatic environment

# Persistence and degradability

The organic components of the product are biodegradable.

# **Bioaccumulation**

Bioaccumulative potential.

Other adverse effects

No Information available

 Waste treatment methods

 Disposal of wastes
 Disposal should be in accordance with applicable regional, national and local laws and regulations.

 Contaminated packaging
 Dispose of wastes in an approved waste disposal facility.

**13. DISPOSAL CONSIDERATIONS** 

# **14. TRANSPORT INFORMATION**

The basic description below is specific to the container size. This information is provided for at a glance DOT information. Please refer to the container and/or shipping papers for the appropriate shipping description before tendering this material for shipment. For additional information, please contact the distributor listed in section 1 of this SDS.
